This local charity provides a safe and nurturing place where people find immediate relief, hope, encouragement, and unwavering support to move from homelessness to safe shelter and opportunities for growth and independence.

**The weekend is all about helping the homeless. Please bear that in mind when comparing the price for the weekend. Mackay Line Dancers will be donating ALL proceeds.** Homelessness has become quite dire in the area and Chances House are doing a wonderful job of assisting with this crisis. They do need our help though, so Mackay Line Dancers have decided to help this worthy local charity.
